

## Special Interest reduction scheme for MSME Sector

**Manufacturing – 9.5%\***

**Service Sector – 10%\***

**Last date: 28.02.2018**

In order to focus MSME sector of the state, Corporation formulated special interest rate of 9.5% for the manufacturing and 10% for the service sector, after all rebates and reductions. New customers, having excellent repayment history for a period of three years or more with banks and satisfying the following criteria are eligible for such additional rebate.

- (1) Internal credit rating is above 70%.
- (2) All accounts are in standard category throughout, in their respective bank
- (3) Unit is in commercial operation and functioning well.
- (4) Have submitted the audited balance sheets and the turnover of the unit should show an increasing trend, has positive net worth, positive net profit and no statutory dues pending.
- (5) Latest CIBIL scores of the promoters and the entity are satisfactory (650 and above for promoters).

This facility will be extended to new projects of such customers, even if it is under a different entity. The facility will be limited to manufacturing and service sector only, not to Crusher, Films, Contractor, CRE sector, etc. The facility will be extended to customers for their loans registered upto 28.02.2018 and will be limited to a period of first two years only from date of first disbursement.
